2009 Speed The Light

What
is
STL?

Speed-the-Light (STL) is a student-initiated ministry that provides transportation and communication equipment to Assemblies of God Missionaries across the nation and over 180 countries around the world. Since its inception in 1944, STL has raised over \$150 million for missionary equipment around the world.

There is one guiding principle for STL: All assistance must go to purchase equipment directly related to **evangelism**, defined as, proclaiming the gospel and instructing new Christians.

What STL provides:

Video & Overhead Projectors
Screens
Portable Sound Systems
Printing Equipment
Televisions
VCR's & DVD Players

TV Cameras
Video & Audio Dupl.
Cars, Vans, Ut. Veh.
Passenger Vans
Motorcycles
Bicycles

Boats & Motors
Snowmobiles
Trailers
Forklifts
Camels & Donkeys

Thousands of young people give and work sacrificially every year to raise money to provide these things for our missionaries! But as you can imagine, the need is always growing. Thank you for your support.
